Martin,

When you get in... I think you saw Bill Canfield's second request. Can I send this letter to him?

Saved all changes including Cliff's suggestion of dropping the word "advanced" from educational opportunities.

Thanks,
Duke

We could but if this letter is going out very soon, the website is not active yet.
We could direct them to a general email for inquiries but for a communication with Clela, I think she should go through Bill.
Also the Society is not taking an active role in selecting recipients but rather depending on the universities to take that role.

I agree with your whatever, who's sending it to Bill?

Look fine. We could also refer them to the website address and say that it should be operative by April 2020 for candidates to apply online. In the meantime we've been working directly with the universities and colleges to identify recipients.

Whatever...just a pack of bitches getting free \$.

Made a few edits. More personal taste more than anything else.
The bulk of the substance seems fine.

Cliff,

FYI. Obviously you will probably want to discuss with Martin before responding. Let me know if I can help.

Subject: Society Letter to Cleta Mitchell

Cleta has asked for a brief letter explaining the purpose of the Society for inclusion with her pending response to the FEC in the complaint involving the Collins superpac. What she intends to indicate in her response is that the superpac accepted a legitimate contribution from an LLC and that there is a factual basis for asserting that the LLC was not formed for the purpose of making that contribution. Attached is a draft letter to her. Please review and make any suggested modifications ASAP. Thanks, Bill.
